OR

No corrections have been made after submission of March 2010 (Supplementary-I) accounts and up to the stage of submission of SCT. Hence March 2010 (Supplementary-II) accounts may be treated as 'NIL'.

2. After the dispatch of the Statement of Central Transactions to this office, no correction is admissible in the accounts, except in special cases, through Journal Entries to be signed only by the CCA/CA/Dy.CA heading the Principal Accounts Office with the approval of the Controller General of Accounts. Such proposals for corrections should be addressed to Joint Controller General of Accounts by name along with Journal Entries for the approval of Controller General of Accounts. These should always be accompanied by Statement of consequential corrections to the Statement of Central Transactions and Appropriation Accounts showing all figures to be corrected and final figures after corrections, as required in para 5.9 of the Civil Accounts Manual. While proposing such corrections, the instructions contained in Para I(V) of the Ministry of Finance O.M. No. G. 2(104)-76/Spl.Cell dated 26.11.1976 and further instructions contained in this Ministry's circular letter No. G.25018/1/81/MF-CGA/FA/Correction/600 dated 26.2.1982 should be kept in view.

3. JEs are to be prepared in proper form up to minor head level duly indicating the category of expenditure viz. Plan (Voted/Charged), Non-Plan (Voted/Charged) and also providing justification/detailed reasons for the corrections. The amounts in the JE are to be shown in thousands of rupees.

4. After all the Journal Entries for the year 2009-2010 have been sent and got approved from the CGA's Finance Accounts Section, a single floppy containing the effect of all the JEs should be sent to CGA's Monthly Accounts Section along with Contact Report No. 3. The month of account in this case should be entered as 201015 indicating the classification up to the lowest level. While sending the above floppy it must specifically be mentioned in the forwarding letter accompanying the account that the effect of all the JEs submitted and got approved has been included in the floppy.

5. Past experience has shown that delay in completing departmental reconciliation has resulted in delay in closing of annual accounts in many cases. Suitable action may be taken to ensure that the

departmental reconciliation of both receipts and expenditure figures, if in arrears, is brought up to date immediately. In this connection, this office O.M. No. G.30012/1/79/ Inspection/333 dated 12.3.1980 may also be referred to.

6. Certain inter-Government adjustments of payments/repayments are to be effected by issuing advices on the R.B.I. The Reserve Bank of India (C.A.S.) Nagpur will keep its books open for this purpose till 15.4.2010. Special steps should be taken to ensure that such advices reach the Central Accounts Section of the Reserve Bank of India well before 15.4.2010 (as per provision of Article 88 of Account Code, Vol IV) as already enjoined in this Ministry's O.M. No. S-11047/1/80/ TA/1112 dated 18th March 1980 and that the advices are evenly spaced so that the bank gets sufficient time for carrying out necessary adjustments. It should also be ensured that all the advices intimated as a result of sanctions issued in March are positively sent to R.B.I. (C.A.S.), Nagpur during March itself, in any case, not later than the 1st week of April 2010.

7. All adjustments of debit/credits relating to payments/receipts made during the year 2009-2010 by one Ministry/Department on behalf of another should be finally accounted for in the accounts of the same year. 8. To complete the accounts, it is essential to conduct a thorough review of all cases of periodical and annual adjustments including interest adjustments etc., which are to be carried out in the account for the year 2009-2010. This may be done immediately, if need be, in consultation with other CCA/CA concerned in order to ensure that no adjustments required to be made in the accounts for the current year are left out there from and that all adjustments have been duly incorporated before closing the March (Preliminary/Supplementary) and annual accounts.
